The sun is creeping up my wall  
But it can't brighten up what is covered in dirt  
Words were thrown around like stones  
Why does it feel so good to hit where it hurts  
I never felt so low but I'm not ready to let go

I don't know how it's gonna be  
The days keep crashing in on me  
Now that you're gone  
I wondered where you are tonight  
All it took was just one fight  
It all went wrong  
Yesterday is gone

I know time can't take it back  
He said she said we fell into those games  
Soldiers ready to attack  
Flying a white flag, I am taking the blame  
You can run but I know you're not ready to let go

I don't know how it's gonna be  
The days keep crashing in on me  
Now that you're gone  
I wondered where you are tonight  
All it took was just one fight  
It all went wrong  
Yesterday is gone

And I don't know what to feel  
Please tell me it's not real  
Wake me up and make it go away

I don't know how it's gonna be  
The days keep crashing in on me  
Now that you're gone  
I wondered where you are tonight  
All it took was just one fight  
It all went wrong  
Yesterday is gone  
Yesterday is gone, gone gone,  
Yesterday is gone
