When you wake, I'll be gone  
Oh like the sun, I carry on  
I will wait, over the, horizon for you, my love

Like a dove, flying high  
My love soars, through the skies  
I would wait, forever for you, my love

When you come, come to me, eyes as blue, as the sea  
Dreams appear, then they fade, and I'm left, alone,  
afraid  
So come to me, I will wait, devotion knows, no time or  
space  
Come to me, I will wait, for you, for you, my love

When you come, come to me, eyes as blue, as the sea  
Dreams appear, then they fade, and I'm left, alone,  
afraid  
So come to me, I will wait, devotion knows, no time or  
space  
Come to me, I will wait, for you, for you, my love

Ooh ooh huu hu hu huu
