Ohh, flames are reaching for the sky, they never stop  
to question "Why"  
Hearts will beat in perfect time, without reason, without  
rhyme, ohh yeah  
Do not stop to question me, my mind is racing far and  
free  
Got no answers, just the feeling inside

Cause I'm gone gone gone  
I keep, moving on  
Got to spread my wings and, fly  
Yeah I'm gone gone gone  
I keep, movin on  
Come and join this crazy, ride

And when I go to sleep at night, I'll still be following the  
light  
Chase what's on the other side  
I got no worries, got no fears, my challenge lies in  
future years  
No regrets, I got nothing to hide

Cause I'm gone gone gone  
I keep, moving on  
Got to spread my wings and, fly  
Yeah I'm gone gone gone  
I keep, movin on  
Come and join this crazy, ride

Ahaah yeayeayeah

Gone gone gone  
I keep movin on  
Got to spread my wings and fly, yeah  
Gone gone gone  
I keep movin on  
Got to spread my wings and fly  
Lord I'm gonna touch the sky

Flames are reaching high, they never stop to question  
"Why"  
Got no answers, just the feeling inside

Cause I'm gone gone gone  
I keep, moving on  
Got to spread my wings and, fly  
I'm gone gone gone  
I keep, movin on  
Come and join this crazy, ride

Yeah I'm gone gone gone  
I keep, moving on  
Got to spread my wings and, fly  
Cause I'm gone gone gone  
I keep, movin on  
Come and join this crazy, ride

Got to keep on moving on  
Cause I'm gone
