The past time so familiar, but that's why you couldn't  
stay

Too many ghosts, too many haunted dreams, beside  
you were built to find your

Own way

But after all these years, I thought we'd still hold on

But when I reach for you, and search your eyes, I see  
you've already gone

That's ok, I'll be fine

I've got myself, I'll heal in time

But when you leave, just remember what we've had

There's more to life than just you

I may cry but I'll make it through

And I know, that the sun, will shine again

Though I will think of you now and then

Can't do a thing with ashes, but throw them to the wind

Though this heart, may be in pieces now, you know I'll  
build it up again and

I'll come back stronger, than I ever did before

Just don't turn around, when you walk out that door

And that's ok, I'll be fine

I've got myself, I'll heal in time

But when you leave, just remember what we've had

Cause there's more to life than just you

I may cry but I'll make it through

And I know, that the sun, will shine again

Though I will think of you now and then

There must have been some kind of sign

Cause every now and then I'll find

You controled my heart, but I control my mind

And I may fall down to my knees

But every now and then I see

Even though, the past was ours, now belongs to me

That's ok, I'll be fine

I've got myself, I'll heal in time

But when you leave, just remember what we've had

Cause there's more to life than just you  
I may cry but I'll make it through  
And I know, that the sun, will shine again  
Though I will think of you now and then

That's ok, I'll be fine  
I've got myself, I'll heal in time  
And even though our story's at, the end  
I will still think of you, now and then, mmhmm
