"Be Your Angel"

It's a matter of time
You will no longer be mine...
I won't be...
(I won't be your angel)
(I won't be your angel)
(I won't...)

(Raminta)
The time has come
For me to right this wrong
Such a fool to be holding on
Always there for you
To pick up the pieces
But that's all over now
You better believe it

(Why) do you want me to save your soul?
(Try) to make it on your own
I've stayed till now out of obligation
Sacrificed by sanity
So this is my salvation

CHORUS

It's a matter of time
You will no longer be mine
You might look up and find
That I won't be your angel
Take back the ring
Replace the heart that's missing
I'm walking out the door
I'm not gonna save you anymore

(Camilla)
If I told you once
I told you twice
Empty promises will never entice me
What you running from? Yourself?
From your own living hell?
Then you turn to me
The one you call the angel

(Why) do you want me to save your soul?

(Try) to make it on your own
I've heard enough from you
It's time to say goodbye
I've healed my broken wings
Now watch the angel fly

CHORUS

Til now you put me through hell
I won't be (I won't be)
Til now you put me through hell
I won't be (your angel)

CHORUS 2X
