Doob doob doob dayo (8 bars)

I know a boy who's tough but sweet
He is so fine he can't be beat
Got everything that I desire
Sets my summer sun on fire

I want candy (repeat x6)

Doob doob doob dayo (8 bars)

Got to see him when the sun goes down
Ain't no finer boy in town
Your boy that the doctor ordered
Your so sweet you make my mouth water

Candy on the beach there's nothing better
But I like candy wrapped in a sweater
Some day soon I'll make you mine
And I like candy all the time

I want candy (repeat x16)
