Candy Girls - Wham Bam
=====

Wait just a minute, Mr. Look So Good

Wham bam, wham bam

Wham bam, wham bam

Wham bam, wham bam (bring it all up)

Wham bam, thank you maam, wham bam, thank you
maam

Wham bam, thank you maam, wham bam, thank you
maam

Let me tell you one thing before you walk out the door

You took my money

You took my heart, you took my love, you took my body

But when you touched my money you took too much

Never will you grace these doors again

Get out, and take that dog with you

Its over for me

You want me to give you a ride?

Im sorry, theres something in the boots

Oh my God, what have I said?

Dont go, I love you

I love you, I love you!!!

Wham bam, thank you maam (oh), wham bam, thank
you maam (oh)

Wham bam, thank you maam (oh), wham bam, thank
you maam (oh)

Wham bam, thank you maam (oh), wham bam, thank
you maam (oh)

Wham bam, thank you maam (oh), wham bam, thank
you maam (oh)

Ooh!

No! Oh my God

No! Oh my God, oh my God

Wait a minute, let me tell you something

You little run over crustation

Let me tell you one thing before you walk out the door

You took my money

You took my heart, you took my love, you took my body

But when you touched my money you took too much

Never will you grace these doors again

Get out, and take that dog with you

Its over for me

Oh my God, what have I said?

Dont go, no, come back

Ooh! Ooh!

Ooh! Ooh!

Its over, its over, its over, its over

Its over, its over, its over for me

Oh my God

What have I said? But I loved you

I love you, I love you!!!

I loved you, I loved you

I loved you, I loved you
