Paul Kelly (Mushroom)  
Hello blue stranger  
Sitting there all alone  
With your glass of sorrow you seem so far from home  
Maybe you will let me buy a round or two  
I'm a blue stranger too  
Hello blue stranger  
I haven't seen you around  
I know every reason for leaving town  
We might know each other before the night is through  
I'm a blue stranger too  
And strangers fall in love everyday  
All lovers were strangers once  
Just like us  
A little unsure of their way  
Hello blue stranger  
Will you take a chance  
I might be mistaken but I see meaning in your glance  
Maybe this could be the start of something new  
I'm a blue stranger too  
And strangers fall in love all the time  
All lovers were strangers once  
Just like us  
A little confused - sharing eyes  
And strangers fall in love every night  
All lovers were strangers once  
Just like us  
Trying to get the words right  
Hello blue stranger  
Hello blue stranger  
Hello blue stranger  
This one's on me
