Why don't you believe in me
In the basement of this house
Where the music always plays too loud
Shakes my bones
The way you shake my hand
Instead of holding cause of what that meant

I want out
I want out
I want out, out

On the long ride home
The subway breaks below
And I stick my tongue out
In the mirrored window
Reflection makes you laugh
How come you don't answer back

I want out
I want out
I want out, out

Why don't you believe me?
Why don't you believe me?
Why don't you believe in me?
Believe
You never listen to me

I want out
I want out
I want out, out
