Do you remember when I broke my arm,
When we were leaving for our first tour,
And I fell down the stairs with my guitar?

We were driving in your van,
With a band full of my best friends,
And we turned on the radio and we sang

Punk songs.

We brought some beer back to your house,
Where I fell asleep on your couch,
With your kitten on my chest, purring loud.

You didn't follow me to bed;
You stayed up with your 30-rack,
And I listened from the bedroom as you were trashed
And singing

Punk songs.

And sometimes I wish that I could go back.
