You always say that I can never win with you.  
I try so hard to keep track of the things I do,

Well, I can be wrong alone and without you,  
Or I can be wrong alone and with you.  
I'd rather just be alone,  
And not angry at anyone

Cause talking with you is like I'm pulling out my teeth,  
And now I can't chew on anything.  
When I'm with you, it doesn't make any sense,  
And now I can't chew on anything

Well, I can be wrong alone and without you,  
Or I can be wrong alone and with you.  
I'd rather just be alone,  
And not angry at anyone

You're gonna do what you want to,  
So what do you want from me?  
You do what you want to anyway,  
So what do you want from me?
