You and me,
We go together like the alphabet and letters
That spell out our names
So perfectly together and carved into the bark of a tree

Ba ba ba ba

So why do I feel alone
Anytime that I am with you
I don't feel alone
Anytime I'm by myself,

Ba ba ba ba

Cause I can listen to all the complaints
From the kitchen sink that I can't fix
And the heater that says he's overworked.
I can eavesdrop on the wall and the clock;
At the end of the room each echo stops
And says she's better, better off

When I'm alone
Anytime that I am with you.
I don't feel alone
Any time I'm by myself.
