

Cannabis Corpse "I Cum Bud"

Scars of the way that my cock used to work
Phallus expanded
Engorged with blood convoluted
Drugs are life, a zombie I've become
Veins of dark green-color of weed
Semen demon seed
Possession, thc I bleed
I CUM BUD
Scream for cum
I burst
I squirt
I spoooge
I use my prick to stone your face, your mouth, your
eyes, your brain
Stop, I can't, it burns, it turns into a gory mess
My cock's a gory mess
The horrific pain
It will never end
Possessed by evil
Choking relentlessly
On buds from my flesh
They keep cuming out
Stench begins to grow
Drives me insane... insane... insane
Buds fly forth to end your life now
Like poison these nugs inside your womb
Buds fly forth to end your miserable life
Like poison, like poison in your womb
Buds protrude from my cock in a painful display
Stretching my dick larger and larger
Oh, my dick, I want to die, this painful display
Stretching my dick larger and larger
Scars of the way that my cock used to work
Phallus expanded
Engorged with blood convoluted
Drugs are life, a zombie I've become
Veins of dark green-color of weed
Semen demon seed
Possession, thc I bleed
I CUM BUD
The horrific pain
It will never end

Possessed by evil
Choking relentlessly
On buds from my flesh
They keep cuming out
Stench begins to grow
Drives me insane
Scream for cum
