

Paul Klein "Differences"

Visit "[Differences](#)" on MotoLyrics.com

The differences between us are vast and wide and
spread out far
Classy-chic, Vogue magazines perfectly describe who
you are
Worn in jeans, a v-neck tee, dirty hair is fine with me
But somehow we fit perfectly, she's mine for good,
hopefully

'Cause girl I know it don't make sense
Our feelings are so effortless
And even though we're opposites
Our love is stronger than our differences

She speaks so soft with gentle words, conservative,
always reserved
I yell out loud, let things fly out, don't think before I
open my mouth
And she is strong where I am weak, and I fill in where
she is lacking
Together we make a perfect team, contrary to popular
belief

Don't let anything come between us now
We've come too far, we've come too far
