Well when I walk, when I walk
On my horse upon the hill (when I walk the horse upon a
hill)
Well when I walk, walk walk walk
On my horse upon the hill (when I walk the horse upon a
hill)
And I lay me down
will my lover love me still
A Dog is here, (a dog is here), a dog is there (a dog is
there)
My dog he got three leg
but he can't run

Well when I thought, well I thought
when I thought you was my friend (when I thought I
could call you my friend)
When I thought, when I thought
when I thought you was my friend (when I thought I
could call you my friend)
but you laid me down, put my heart around the bend

A fly flies in (a fly flies in), a fly flies out (a fly flies out)
most flies they got three leg, but mine got one.

Well when I fly when I fly when I fly, when I fly above the
cloud
(when I fly above the man in the crowd)
Well when I fly when I fly when I fly, when I fly above the
crowd
(when I fly above the man in the crowd)

You can knock me down with a feather, yes you could
but you know it's not allowed (but you know it's not
allowed)

A Dog is here, (a dog is here), a dog is there (a dog is
there)
My dog he got three leg
but he can't run

My dog he got three leg
Your dog he got none

My dog he got three leg
Your dog he got none

My dog he got three leg
Your dog he got none
