I walking down the street the other day
Who did I meet
I met a friend of mine and he did say
Man I can smell your feet a mile away
Smile away, smile away, smile away, yeah smile away
Smile away, smile away, smile away, yeah smile away

Smile away, smile away, smile away, yeah smile away
Smile away, smile away, smile away, yeah smile away

I walking down the street the other day
Who did I meet
I met a friend of mine and he did say
Man I can smell your breath a mile away
Smile away, smile away, smile away, yeah smile away
Smile away, smile away, smile away, yeah smile away

Who did I meet
I met a friend of mine and he did say
Man I can smell your teeth a mile away

Smile away, smile away, smile away, yeah smile away
Smile away, smile away, smile away, yeah smile away
