This song, eh, eh

Too many people going underground
Too many reaching for a piece of cake
Too many people pulled and pushed around
Too many waiting for that lucky break

That was your first mistake
You took your lucky break and broke it in two
Now what can be done for you
You broke it in two

Too many people sharing party lines
Too many people never sleeping late
Too many people paying parking fines
Too many hungry people losing weight

That was your first mistake
You took your lucky break and broke it in two
Now what can be done for you
You broke it in two

Too many people breaching practices
Don't let them tell you what you wanna be
Too many people holding back
This is crazy and maybe it's not like me

That was your last mistake
I find my love awake and waiting to be
Now what can be done for you
She's waiting for me
