Clearing skies and drying eyes
Now I see your smile
Sadness goes and softness shows
A changing style

Just in time words have rhyme
Well bless your soul
Now I'll fill your hands
With kisses and a Tootsie Roll

Oh reality, it's not for me
And it makes me laugh
But fantasy world and disney girls
I'm coming back

Patti Page and summer days
On old Cape Cod
Happy times, making wine
In my garage

Country shade and lemonade
Guess I'm slowing down
It'd be a turned back world
With a local girl in a smaller town

Well it's open cars and clearer stars
That's what I've lacked
But fantasy world and disney girls
I'm coming back

Love,
Hi Rick, Hi Dave, Hi Pop,
Good Morning, Mom
Love,
Get up guess what I'm in love with
A boy I found

He's really swell
Cause he likes church and bingo chances
And old time dances

All my life I spent the nights
In dreams of you
For the warmth I missed and for the things I wished,
They're all coming true

I've got my love to give and a place to live
Guess I'm gonna stay
It'd be a peaceful life as a forever wife
With a little kid someday

Well, it's early nights and pillow fights
And your soft laugh
But fantasy world and those disney girls
I'm coming back
