Merry Christmas  
Have a very, very merry christmas  
Dream about your heart's desire  
Christmas Eve when you retire  
Santa Claus will stop and I know he'll drop  
Exactly what you wanted from your chimney top

So be jolly, have a holiday as gay as holly  
May the ones you love be near you  
With the laugh of friends to cheer you  
When the church bells ring and the angels sing  
And you hear the joyful hymn they chime

Hang a wish from me  
On your Christmas tree  
For a very merry Christmas time

So be jolly, have a holiday as gay as holly  
May the ones you love be near you  
With the laugh of friends to cheer you  
When the church bells ring and the angels sing  
And you hear the joyful hymn they chime  
Hang a wish from me  
On your Christmas tree  
For a very merry Christmas time
