A spirit for a smile,
A doubt for a dream,
You're saving my falling,
You're shooting my star.

A spirit for a smile,
A doubt for a dream,
You're saving my falling,
You're shooting my star.

And I don't care,
Whenever you stall I'll stand there,
Oh and I don't care,
Whenever you stall I'll stand there.

You're the beat of my heart,
The door to my home,
If I lose my voice,
Then I'm left alone,

You're the way that I see,
You're the best champagne,
As you cure my lows,
And joy steals my pain.

And I don't care,
Whenever you stall I'll stand there,
Oh and I don't care,
Whenever you stall I'll stand there.

Built this island out of frustration,
There's no point teaching a girl who can never learn,

Just when I feel like Robinson Crusoe,
My attention's drawn to light,
A beacon out in the sea,
I caught your eye you were staring back at me,
Great minds coming to the same idea,
Cos when it keeps on whispering in your ear,
Keeps on whispering in your ear,
Keeps on whispering in your ear,
You wait for something and it never appears oh no.

And I don't care,
Whenever you stall I'll stand there,
Oh and I don't care,
Whenever you stall I'll stand there,
Whenever you stall I'll stand there.

So why don't I just take your strain until it's untied,
We're staring at the ocean not afraid to bring it to
Life,
We're not afraid to bring it to life.
You're the beat of my heart.
