Embrace me
Surround me
Embrace me
Surround me

Traveling somewhere
Could be anywhere
There's a coldness in the air
But I don't care

We drift deeper
Life goes on
We drift deeper
Into the sound

Embrace me
Surround me
Surround me

Traveling somewhere
Could be anywhere
There's a coldness in the air
Yeah, but I don't care

We drift deeper into the sound
Life goes on
We drift deeper into the sound
Feeling strong

So bring it on, so bring it on
We drift deeper into the sound
Life goes on
We drift deeper into the sound
Feeling strong

So bring it on, so bring it on
We drift deeper

We drift deeper, life goes on
We drift deeper, drift deeper

We drift deeper into the sound

Life goes on
We drift deeper into the sound
Feeling strong

So bring it on, so bring it on
We drift deeper into the sound
Life goes on
We drift deeper into the sound
Feeling strong

So bring it on, so bring it on

Embrace me, surround me
As the rush comes
Embrace me, surround me
As the rush comes

Embrace me, surround me
As the rush comes
Embrace me, surround me
As the rush comes

Embrace me, surround me
As the rush comes
Embrace me, surround me
As the rush comes

Embrace me, surround me
As the rush comes, as the rush comes
As the rush comes, as the rush comes
As the rush comes

As the rush comes, as the rush comes
As the rush comes, as the rush comes

We drift deeper, life goes on
We drift deeper, drift deeper
