[Madlib]

Yeah

check me out

check me out

Public enemy number one

Lord Quas up on the set

Word Bet

Bad character you see up on the screen

[Sample] I'm just sinful, vicious, oohhh

[Quasimoto]

Guess who's the new bad character in town?

Causin' mischief in your city, (hey watch out)turn that  
shit around

I'll smack a nigga with a brick, talkin' outta place

Like I was sniffin' paint laced, flyin up outta space

LORD QUAS, I'll put your best through a metamorphis

Have ya' slavin' in my dungeon while I'm eatin  
swordfish

So BITCH WAIT, we watchin pornos with Romes

We analyze for the astro-black shit

Madlib got the grass to get so we get lit

We commence to astro-travellin'

Grabbin up skins, so we can play a game of javellin

I'm labelled as a bad character

no matter what I do I'm labelled as a bad character

I'm labelled as a bad character

no matter what I do I'm labelled as a bad character

I'm labelled as a bad character, bad character

I'm always lookin' under some girl's dress

With a vest, cause some ducks wanna put me to rest

Now I'm a soldier in the town drinkin' Butterfly Snapple

I walk around the streets passin' out poisoned apples.

(OH SHIT HE'S DEAD?)

Now it's time to skip town./ (I know who it was)

Hey yo, you dirty niggaz know how I get down!

I'll stab a nigga in the chest with pitchfork from behind

And rob some rich folk for makin' my ancestors eat

swine

Y'all niggaz commin' slower than guns while I'm on the  
run, the director  
I'm labelled as a bad character

Yo, I'm labelled as a bad character  
no matter what I do I'm labelled as a bad character

[Sample] HAHAHAHA!!! I warned you folks! HA!  
I warned you sista'! Yeeeeesssssss  
I'm the new bad char-ac-ter
