The sky above is so blue
It's beautiful and so are you
We on the run, it's our time
Open your eyes, let your love shine

Shine, shine, shine
Put your hands up in the sky
Sky, sky
Your love gets me high
High, high
I feel so alive

I'm just a dreamer
Tracing the good life
Lost in a moment
Search of a good time
Live every night
Stay out till the sunrise
Trying to find my way in this beautiful world

So beautiful
So beautiful
In this beautiful world
So beautiful
So beautiful
In this beautiful world
In this beautiful

The trees sway, the wind blows
My heart's pure and God knows
We on the run, it's our time
Open your eyes, let your love shine

Shine, shine, shine
Put your hands up in the sky
Sky, sky
Your love gets me high
High, high
I feel so alive

I'm just a dreamer

Tracing the good life
Lost in a moment
Search of a good time
Live every night
Stay out till the sunrise
Trying to find my way in this beautiful world

So beautiful
So beautiful
So beautiful
So beautiful
In this beautiful world
In this beautiful
