Mmmmm

He won't come down never

He won't come down

He won't come down never

He won't come down

He won't come down

He won't come down

When your it heart beats heavy for a drum.

No you won't come down easy let me run.

When you long to reach heaven where the night is
young

All the stars above you are in

Motion now, motion now

Your feeling so alive

Motion now, motion now tonight

Motion now, motion now

Your feeling so alive

Motion now, motion now tonight

Ooooooh

In the neon blue city

In the twilight fields

See the ballroom dance floor

Only there has heat

Anyone can feel it

Motion now, motion now

You feel so alive

Motion now, motion now tonight

Motion now, motion now

You feel so alive

Motion now, motion now tonight

Oooooo

Motion now, motion now

You feel so alive

Motion now, motion now tonight

Motion now, motion now

You feel so alive
Motion now, motion now tonight
Oooooo
