{This message is for Paul Oakenfold, eh how are you?  
Its Anita Baymont, Hunter Thompson's assistant  
I'm going through the messages  
And I'm just getting back to you to let you know  
That Hunter did get the cds  
I've listened to them and I'm excited and  
Hunter has listened to them and  
He is interested  
So eh we'll give you call back in a couple of days  
Yeah so um, great stuff, we'll talk soon, thanks bye}

{We must read this  
Nixon's spirit will be with us for the rest of our lives  
Whether you're a me or Bill Clinton or you or Kurt  
Cobain or  
Bishop Tutu or Keith Richards or Aimee Fisher or Boris  
Yeltsin's Daughter or her finance's sixteen year old  
beer drunk brother  
With his braided goatee and his whole like a  
Thunder cloud right in front of him}

{This is not a generational thing  
You don't even have to know who Richard Nixon was  
To be a victim of his ugly Nazi experiments}

{He has poisoned our water for ever  
Nixon will be remembered as a classic case  
Of a smart man shitting in his own nest  
But he also shit in our nest and that was a crime  
That history will burn on his memory as a brand  
By disgracing and degrading the presidency of the  
United States  
By fleeing the White House like a diseased cur  
Richard Nixon broke the heart of the American dream}
