(feat. Ryan Tedder)

Time to say goodbye  
it's time to make a move  
nothing left to hide  
everything to lose  
there is not a day I wake  
not a step that I take  
when I don't see your ghost  
I think you should know  
it's time for both of us  
to put aside our past  
we're looking forward now  
strong enough to last  
there's not a night asleep  
not a dream that I keep  
if I don't see your face  
it's you I can't replace

you're running through my mind  
(baby all the time)  
it's not over yet  
deep inside my soul  
(this I know for sure)  
it's not over yet

you're running through my mind  
(baby all the time)  
it's not over yet  
deep inside my soul  
(this I know for sure)  
it's not over yet

every single night I dream of love  
every single day I'm thinking love  
with every thought of you I'm still in love  
don't say goodbye cuz it's not over yet  
every night, every day  
not over yet  
every night, every day

you're running through my mind

(baby all the time)  
it's not over yet  
deep inside my soul  
(this I know for sure)  
it's not over yet
