"Soul Of An Angel"

You have the bravest heart I've ever known
You have the strongest will I've seen
With every step you take you touch my soul
With every breath you will succeed

The soul of an angel
Touched from above
Your spirit is shining
Surrounded by Love

You feel emotions you have never known
There will be questions in your mind
Sister left your side to help you grow
Now she watches while you shine

The soul of an angel
Touched from above
Your spirit is shining
Surrounded by Love
