Piece by piece  
I release  
Once was mine  
Now undone

Turned blue  
Like New Orleans  
And went down like  
A southern sun

I still feel you  
Beneath my skin  
I am tempted  
To throw my senses in

'Cause it's easier to fly  
Than to face another night  
In southern sun  
And your love is all around

Piece by piece  
I release  
Once was mine  
Now undone

Turned blue  
Like New Orleans  
And went down like  
A southern sun

I still feel you  
Beneath my skin  
I am tempted  
To throw my senses in

'Cause it's easier to fly  
Than to face another night  
In southern sun  
And your love is all around  
In the air to set me free

You last like a song

I'm deflated  
I am pieces on the wind  
Unrelated

I still feel you  
Beneath my skin  
I am tempted  
To throw my senses in

'Cause it's easier to fly  
Than to face another night  
In southern sun  
And your love is all around  
In the air to set me free

'Cause it's easier to fly  
In the air to set me free
