hey DJ.....

Tonight...stars  
Tonight I?m seeing stars x6

Once again, I find myself with my friends,  
dancing the night away, its like the party never ends.  
Then again we don?t want it to stop,  
'cause tonight?s the night it goes sweatbox,  
laser beams, flashing lights, wild cards,  
Men from Mars, dressed in Stars and stripes,  
Eclectic electric  
Ladies of the evening  
drinking booze and mingling ?..

Mashing to the music, I can do anything  
Freaky diggy star speckles and pink butterflies  
and life is nice, so nice.  
I walk into a club and I?ve found paradise,  
I?m seeing stars, I can?t believe my eyes  
I'm seeing stars

Oh my starry eyed surprise,  
sundown to sunrise,  
Dance all night,  
we gonna dance all night,  
dance all night to this DJ.  
Sugar, dance all night to this DJ.  
Oh my starry eyed surprise,  
Sundown to sunrise,  
Dance all night,  
We gonna dance all night,  
Dance all night to this DJ,  
Sugar, dance all night to this DJ,  
Dance all night to this DJ,  
Lover dance all night to this DJ  
ah ha ha

Now the record always spins on the trails we blaze  
The walls are closing in but that?s ok  
'cause I?ve been waiting all week to feel this way

and it feels so good, so good.  
I?m on top of the world the coolest kid in the  
neighbourhood  
So let me be a star for one night that?s right.  
Sweatbox, laser beams, flashing lights,  
you?ve got to feel the rush, feel the spice of life.  
Love-life, Shifty rolls the dice snake eyes surprise.  
Iceing..Mesmorizing. the minds are sick ones '  
cause what we are, is victims of fun.  
Come on, come on, the fun is just begun;  
come on the fun is just begun. Ha Ha!!

Chorus

It goes  
Ooh la la  
I see stars  
I?m seeing stars x2  
Seeing stars, I'm seeing stars x2

Chorus
