Hey DJ!
Tonight..stars
Tonight IÂ'm seein stars
Tonight..stars
Tonight IÂ'm seein stars
Tonight..stars
Tonight

Once again
I found myself with my friends
Dancin the night away
ItÂ's like the party never ends
Then again, we donÂ't want it to stop
Â'Cause tonightÂ's the night
It goes sweat box, laser beam, flashin lights
Wild cards, men from Mars
Dressed in stars and stripes
Eclectic Electric
Ladies at the evenin
Drinkin booze and mingilin
Mashin through the music
I can do anything
Freaky deaky, star speckles and pink butterflies
And life is nice, so nice
I walk into a club and I found paradise
IÂ'm seein stars, I canÂ't believe my eyes
IÂ'm seein stars

[CHORUS]

Oh my, starry eyed surprise
Sun down to sun rise
Dance all night
We gonna dance all night
Dance all night to this DJ
Now sugar, dance all night to this DJ
Oh my, starry eyed surprise
Sun down to sun rise
Dance all night

We gonna dance all night
Dance all night to this DJ
Now sugar, dance all night to this DJ

Dance all night to this DJ
Now lover, dance all night to this DJ
A ha ha

Now the record always spills on the trails we blazed
The walls are closin in, but that's ok
'Cause I been waitin all week to feel this way
And it feels so good, so good
I'm on top of the world
The coolest kid in the neighborhood
So let me be a sparkle one night, that's right
Sweat box, laser beam, flashin lights
You got to
Feel the rush, feel the spice of life
Thug life
Shifty rolls the dice
Snake eyed surprise
Izing, mesmerizin
The mic, the sick ones
'Cause what we are are victims of fun
C'mon, c'mon, the fun has just begun
C'mon, the fun has just begun
Ha ha

[CHORUS]

Hey DJ!
Tonight..stars
Tonight I'm seein stars
Tonight..stars
Na na, I see stars
I'm seein stars [6x]

[CHORUS (2x)]
