A Father to the fatherless  
My shelter from the storm  
My fountain in the wilderness  
My refuge and my rock  
High King of love, God of all grace  
Perfect in power and strong to save  
You have become my hiding place  
My ever faithful God

Verse 2:

A lover to the loveless  
Defender of the weak  
The healer of all brokenness  
Restorer of my dreams  
High King of love, God of all grace  
Perfect in power and strong to save  
You have become my all in all  
My comfort and my peace

Verse 3:

My substitute, my sacrifice  
My perfect spotless lamb  
My risen Lord, my gift of life  
My Saviour and my friend  
High King of love, God of all grace  
Perfect in power and strong to save  
You have become my righteousness  
My glory and my song
