I will never be the same  
Now that I have seen the cross  
And how You took upon Yourself  
The fullness of the wrath of God  
And I may never understand  
Just what You suffered in my place  
Jesus You who knew no sin  
How You were made sin for us

And oh how fierce the Father's anger  
And though You were pierced  
All the pain could not compare  
So dark was the hour  
When all heaven turned it's face away  
Turned it's face away from You  
How sweet is Your mercy  
As it finds it's way to me
