"Sing To The Lord"

Visit "[Sing To The Lord](#)" on MotoLyrics.com

Sing to the Lord for He is good
Give thanks to Him
Tell all the world of all He's done
Come lift your voice to worship Him
Come shout aloud
Open up you gates, you ancient doors
Let His glory in

Chorus:
Hallelujah, King Forever
All the earth will bow
God most holy, You're so worthy
We will praise You now

He is a God of favour, mercy and grace
He reaches out with arms held wide
Who is this King of glory?
He's Lord of all
Open up you gates, you ancient doors
Let His glory in

Bridge:
Let the heavens rejoice, let the earth be glad
Let the seas resound with praise
Let us join as one, with creation's song
Lifting up a sound of praise
