So we back in the mine, got our pick axe swinging from
side to side,
This task a grueling one, hope to find some diamonds
tonight,
Heads up, you hear a sound, turn around and look up,
total shock fills your
Body,
Oh no it's you again,
I could never forget those eyes

'Cause baby tonight, the creeper's trying to steal all our
stuff again,
'Cause baby tonight, you grab your pick, shovel and
bolt again,
And run, run until it's done, done, until the sun comes
up in the morn'
'Cause baby tonight, the creeper's trying to steal all our
stuff again,

Just when you think you're safe, overhear some hissing
from right behind,
That's a nice life you have, shame it's gotta end at this
time,
Blows up, then your health bar drops, you could use a
1-up, get inside
Don't be tardy,
So now you're stuck in there, half a heart is left but
don't die

'Cause baby tonight, the creeper's trying to steal all
your stuff again,
'Cause baby tonight, you grab your pick, shovel and
bolt again,
And run, run until it's done, done, until the sun comes
up in the morn'
'Cause baby tonight, the creeper's trying to steal all
your stuff again,

Captain Sparklez:
Creepers, you're mine

Dig up diamonds, and craft those diamonds and make

some armor,
Get it baby, go and forge that like you so, MLG pro,
The sword's made of diamonds, so come at me bro

Training in your room under the torch light,
Hone that form to get you ready for the big fight,
Every single day and the whole night,
 Creeper's out prowlin' - alright

Look at me, look at you,
Take my revenge that's what I'm gonna do,
I'm a warrior baby, what else is new,
And my blade's gonna tear through you

Bring it

'Cause baby tonight, the creeper's trying to steal all our
stuff again,
Yeah baby tonight, grab your sword, armor and go,
take your revenge,
So fight, fight like it's the last, last night of your life,
life, show
Them your bite,
'Cause baby tonight, the creeper's trying to steal all our
stuff again,
'Cause baby tonight, you grab your pick, shovel and
bolt again,
And run, run until it's done, done, until the sun comes
up in the morn'
'Cause baby tonight, the creepers tried to steal all our
stuff again
