I came to dig dig dig dig  
I'll build a city oh so big big big big  
Just wait a sec, gotta kill this pig pig pig pig  
Cook me some bacon and take a swig swig swig swig  
Yeah, yeah

There must be something I can craft  
To ease the burden of this task  
Yeah

I shoot my arrows in the air sometimes  
Saying ay-oh, that creeper's KO'd

Loot his remains and now his sulphur's mine  
Saying ay-oh, not today no

And then I'll go to work  
Under the birch tree  
And I'll make myself  
Tons of TNT  
Cause I'll use these blocks  
I'll build a big city  
And I'll mine it all  
Using TNT

I came to blow blow blow blow  
Up everything you've ever known known known known  
Expel you out of house and home home home home  
Biome to biome you shall roam roam roam  
Yeah, yeah

Cause I'm a creeper I will rob  
All of your items it's my job  
Yeah

I shoot my arrows in the air sometimes  
Saying ay-oh, creeper's KO'd

Teabag his ghost and now his sulphur's mine  
Sayin' ay-oh, MLG pro

And then I'll head back home

Where I'll smile with glee  
That now I can make  
Lots of TNT  
'Cause I rule my world  
Made in 3 by 3  
I'm-a blow stuff up  
With my TNT

I'm gonna blow it all up  
Every mountain every valley  
Ruler of the world, yup  
All of the animals will fear me  
Cause TNT is awesome  
And TNT, is just really cool, is just really cool  
I'm gonna shoot my arrows in the air, yeah  
Arrows in the the air  
Shoot your arrows in the air-air-air-air-air-air...

I shoot my arrows in the air sometimes  
Saying ay-oh, creeper's KO'd

Teabag his ghost and now his sulphur's mine  
Saying' ay-oh, MLG pro

And then I'll head back home  
Where I'll smile with glee  
That now I can make  
Lots of TNT  
'Cause I rule my world  
Made in 3 by 3  
I'm-a blow stuff up  
With my TNT
