(Ron Isley - verse 1)

It's 2 a.m.

Just getting in

About to check my message

No one has called

But my homies

And some bill collectors

Cellular rings

Somebody wants to borrow money

I 2-way her

She don't hit me back

Something is funny

So I called her mother's house

And asked her

Had she seen my baby

Drove my 6 around

Looking for that missing lady

Got back in

Turned the TV on

And caught the news

And put hand on my head

Cause I'm so confused

And then I turn the TV down (TV down)

Cause I thought I heard a squeaky sound (ooohhh)

Mmm something's going on upstairs

Cause I know nobody else lives here

As I get closer to the stairway

All I hear

Then I hear my baby's voice

In my head screaming out

(Chorus)

You're contagious

Touch me baby

Give me what you got

Then a man said

Sexy lady

Drive me crazy

Drive me wild

I just can't believe this s**t

(Ron Isley - verse 2)
I ran downstairs
Looked in the closet
Looking for that hoe
Said a prayer
Cause only God knows what I'm gonna do
What I saw
Was enough to drive a preacher wild
I'm in the halls
Contemplating 'not in my own damn house'
Who'd ever thought
She was creepin' another man
The down low
Happened to me all over again
And then I turn TV down(TV down yea)
Cause I heard a squeaky sound
Something's going on up there, upstairs
Cause I know that
No one else is here
As I get closer
To the stairway
All I hear
And then I hear my baby's voice
In my ear, screaming

(Chorus)

Dialouge

Ron:
What the hell is going on
Between the sheets in my home

Chante:
Baby wait, let me explain,
Before you start to point your cane

Ron:
Girl I'm bout to have a fit

R. Kelly:
Oh it's about to be some s**t
How did I get into this
Should have never came home
With this b*tch

Ron:
You low down dirty woman
Back to where you come from

Chante:

Ron:
But wait my ass, hit the streets
Your ass is grass

R. Kelly:

Ron:
Wait how you my name son?

Chante:

Ron:

(Chante in the background) No no no no

Ron:
Hmmm now don't I know you from somewhere
A long time ago

R. Kelly:
No no, I don't think so

Ron:

R. Kelly:

Chante:

Ron:

Chante:

Ron:

Now I think ya'll better leave this place
Cause I'm about to catch a case
