He drives into the city  
And works extra hard all day  
He finishes up early  
So he can get away.

'Cause there's a blue-eyed kid on second base  
Wants Dad to watch him play  
And Daddy knows he's waiting  
So he hurries on his way.

Chorus:

'Cause you know heroes come in every shape and size  
Making special sacrifices for others in her lives  
No one gives them medals, the world don't know their  
names  
But in someone's eyes, they're heroes just the same.

She rocks her crying baby  
In the hours before dawn  
She whispers words of hope to help her  
Husband to hold on.

She takes time for the children  
Making sure they know she cares  
She's more than just a Momma  
She's the answer to their prayers.

Chorus:

'Cause you know heroes come in every shape and size  
Making special sacrifices for others in her lives  
No one gives them medals, the world don't know their  
names  
But in someone's eyes, they're heroes just the same.

No, I don't pretend to know you  
But I bet it's save to say  
There's someone out there somewhere looking  
Up to you today.

And they see everything you do  
Except for you mistakes  
You may not think you measure up

But you got all it takes.

No one gives them medals  
The world don't know their names  
But in someone's eyes  
They're heroes just the same.

Yea, in someone's eyes  
They're heroes just the same  
Talking 'bout heroes  
Special kind of heroes  
No ordinary heroes...
