She gets all dressed up
and goes out with her friends
But she always goes home alone
when the party ends

They tell her get with it girl
Life is passing you up
It's lonely sometimes
but her hearts set
on saving her love

(Chorus)
She's one in a million
waiting for her one in a million
Someone will come along one day
and take her hand

Someone who's been through
all that she's been through
She's one in a million
Waiting for her one in a million kind of man

(Verse 2)
She wrote in her diary
about a boy named John
But he couldn't wait
and now his golden chance is gone

She's felt the hunger
She's known the desire
But she's gonna wait
until it's time to burn that fire

(Chorus)

(Bridge)
And she's not in a hurry
to lose what she can never have again
Oh no, no
she's one in a million
one in a million

she's one in a million
waiting for her one in a million kind of man
