I use to love to walk behind my daddy  
As he plowed our garden every spring  
Our little bare feet in the dirt would make me happy  
As we talked about what harvest time would bring.

He'd say son this whole world is like a garden  
And what you sow your surely gonna reap  
Where bitter seeds are planted hearts will harden  
But a caring hand will make the harvest sweet.

Chorus:

And he was sowin' love for the family  
Yeah, he was sowin' love, he took a little extra time  
Lookin' forward to a bountiful harvest  
Like a good father does he was sowin' love.

--- Instrumental ---

And how I use to love and sit and watch my momma  
Workin' with her needle and her thread  
So patiently she'd listen to our problems  
And we knew she heard every word we said.

She'd say "Children this old world is full of scratches  
And in your life your bound to have a few."  
I guess that's why the good Lord gave us patches  
So we could start each day out feelin' new.

Chorus:

Yes, she was sowin' love for the family  
She was sowin' love, she took a little extra time  
Lookin' forward to a bountiful harvest  
Like a good momma does she was sowin' love.

Chorus:

Yeah, they were sowin' love for the family  
They were sowin' love, they took a little extra time  
Lookin' forward to a bountiful harvest  
They took good care of us they were sowin' love.

Yeah, they did it all for us they were sowin' love...
