Teacher oh teacher, tell me where do we go from here
Am I gonna miss my mignight lessons
Now you're moving away from here?
Teacher oh teacher, with your hair hanging over your
eyes,
Guess I'm gonna have to stay after school
To try and make you realize.
That, I don't like changes you know...
So teacher don't go
teacher don't go.
Teacher oh teacher, it's a while since you began,
Giving me extra lessons at home
Yhen you had me in the palm of your hand,
I was so open I couldn't read in between the lines,
Now you're a drug that I ought to give up
But I'm taking you all the time,
And I don't like changes you know...
So teacher don't go
teacher don't go.
Ten out of ten you have my regular attention.
Letely I'm not scared of staying in detention.
Teacher oh teacher, tell me what am I gonna do?
I know I'm just a silly child in your eyes
But I really am in love with you.
Can you imagine all the things that I'm going through
And if I say that I'm gonna be sad
Then you know that every word is true...
And I don't like changes you know...
So teacher don't go
teacher don't go.
