Go!

It's time we've realized  
Fighting my eyes  
With the sun,  
This insomnia is eating at my soul  
And I got nothing left to show  
This could honestly  
This could honestly  
Be a problem  
I've had no sleep and  
It's getting hard trying to think

I haven't slept a night  
And I'm paying  
Through the fucking nose  
Try and wake me up,  
Let me know which  
Way the wind blows  
Fuck what you said,  
Fuck what you did,  
Listen!

All alone, all alone  
Trying to read  
All the faces unspoken  
In other words,  
I must be broken  
Hypnotize me,  
Make me believe that this  
Was all just a dream  
I wish I was,

Waste away, wasting away  
Spending all my time  
Running these empty fucking streets

Watch me waste away,  
It's quite simply said  
What's the point of a day.  
We are the walking dead! OHH!  
We are the walking dead!

Watch me waste away, (x2)

All alone, all alone  
Trying to read  
All the faces unspoken  
In other words,  
I must be broken  
Hypnotize me,  
Make me believe that this  
Was all just a dream  
I wish I was,

Hypnotize me,  
Make me believe that  
I must be dreaming  
I wish I WAS,

Fucking oath mate,  
RAGE!  
Let me sleep!
