Welcome to sin city bitches.  
Please refrain from throwing your fucking body over  
the side  
Fasten your fucking belts  
Because this is going to be a rocky ride

You're nothing more,  
Than a self-centered whore.  
You're nothing more,  
Than a self-centered whore.

How does it feel bitch!

I'd ask where you've been,  
But would you know where to begin?  
It's time you had a change,  
Because every night is the fucking same  
Each time you go to bed you meet someone new.  
I swear to God mate,  
Who could think highly of you?

I could say you're the only one,  
Then I'd be lying.  
I could say that we are dead and done  
But I know you'd only be crying.  
There's only so much I can do,  
To try and fix you, to try and fix you.

Your time is up,  
Look me in the eyes you slut  
Your time is up bitch  
You filthy fucking cunt  
You filthy fucking cunt

If only you knew this one was for you  
If only you knew...  
Face down, ass up  
That's the way you like to fuck.  
The way you like to fuck...  
(Fuck, fuck, fuck, fuck, fuck)

I could say you're the only one,

Then I'd be lying.  
I could say that we are dead and done  
But I know you'd only be crying.  
There's only so much I can do,  
To try and fix you, to try and fix you.

[Instrumental]

Heads will roll!

Open your eyes,  
See the world,  
You're not daddy's little fucking girl.  
Open your eyes,  
See the world,  
You're not daddy's little fucking girl.
