Savršen svijet je ostao iza nas
putujem dalje na drugom mjestu tražim spas
Croatian

samo čekam da mirno prodjes kroz život moj
zbogom mi kazesi i nikada više ne lažesi

Ref.

Ljubav je za tebe bila laž
jer si bio s njom zaboravljas
ne vjerujem da je zadnji put
ne gubi trud uzalud

Ljubavi si malo od sebe mogao dati
to si trebao znati
jer ja nisam ona što vice na glas
kad loše krene u drugom potraži spas

Dan po dan i moja ljubav nestaje
sat po sat i ova tuga prestaje
više ne boli me duša ni tijelo
sve mi je crno i bijelo
nije mi zao što voljeti nisi me znao

Ref. 2x

English

Perfect world is behind us
travel further to another place requires saving
just waiting calmly to get through my life
tell me goodbye and never lazes

Ref

Love for you was a lie
because you were with her zaboravljas
I do not believe that the last time
does not waste effort in vain

Love you a little bit of him might give
that's what you should know
because I did not she crying out loud
when bad start in the second search of salvation

Day by day, and my love goes away
hour by hour, and the grief stops

no longer hurt me soul or body
Everything was black and white
I do not regret that you did not love me know

Ref 2x
