There's something bout this beat
That makes my heart go boom
And when he plays the noise
It echoes around my room
Mister saxo man, play that tune
Mister saxo man makes my heart go boom

Boom, pa-boom-boom, boom pa-boom-boom
Boom, pa-boom-boom, boom pa-boom-boom
Mister saxo man makes my heart go boom
Boom, pa-boom-boom, boom pa-boom-boom
Boom, pa-boom-boom, boom pa-boom-boom
It's the saxo man, it's the saxo man

There's something bout this music
Makes me loose control
I feel it through the rhythm deep within my soul
Mister saxo man, play that tune
Mister saxo man makes my heart go boom

Boom, pa-boom-boom, boom pa-boom-boom
Boom, pa-boom-boom, boom pa-boom-boom
Mister saxo man makes my heart go boom
Boom, pa-boom-boom, boom pa-boom-boom
Boom, pa-boom-boom, boom pa-boom-boom
It's the saxo man, it's the saxo man x 2
