Who knows the Laws of Sadness
They always rule at night, I guess
While we cease to pretend, at last
Nevertheless,

Who will rescue me and,
Who will rescue you
Who will carry my guilt
As I walk silent and slow
Waiting for tears to come
I know they should do so
But they don't,
Why is it so?

Why is it so?
I'm losing parts of you, oohh...
Why is it so?
Parts of myself, also

Back in the time
Of lullabies and wine
What happened to our love, at least we
Made it last for a while
Now take a look at us
There's a hole in time
Who knows why?

Who will rescue me and,
Who will rescue you
Who will carry my guilt
As I walk silent and slow
Waiting for tears to come
But they won't even show
Why is it so?

Why is it so?
I'm losing parts of you, oohh.
Why is it so?
Parts of myself, also

Who knows the Laws of Sadness
They always rule at night, I guess

While we cease to pretend, at last.
