Shut up
Shut up
Keep on rockin
Ain't gonna stop
Tonight Tonight
It's gonna be hell tonight
All in all
All in all
We're gonna blow you down the road
Incinerate Incinerate
Ain't got no time to waste

Shout it out
Shout it out
Rock N roll forever

Thunder
Lightning
Fire in our veins
Raisin hell Raisin Hell
You ain't gonna live to tell
Fire and smoke
Fire and smoke
We're gonna rock until you choke
Screamin Screamin
We wanna hear your scream

Shout it out
Shout it out
Rock N roll forever
