Oh, yeah!
Na, na, na, na! Oh!
I looked at your picture yesterday
Made me think back to how we were
Two people made for each other
And I can't figure out where things went wrong
But since you left, your personality is changed

Chorus:
Cause I will do anything
To hold the girl that once knew in my arms
(You're not the same, girl!)
Cause I will do anything
To hold the girl that once knew in my arms again

I was your best friend
The one you would call
Now when I call you
You can't pick up your phone!
All I want is the girl who I fell in love with, back
Is it too much to ask?

Chorus:
Oh, can't you go back?
Can't you go?
Cause I will do anything
To hold the girl that once knew in my arms
(You're not the same, girl!)
Cause I will do anything
To hold the girl that once knew in my arms again

How could you let it go?
We were inseparable
I thought you knew, girl
But now I see your heart has changed
So when you hear this song, it won't even mean a thing
I don't wanna give up on you!

Chorus:
Can't you go back?
Can't you go?
Cause I will do anything

To hold the girl that once knew in my arms
(You're not the same, girl!)
Cause I will do anything
To hold the girl that once knew in my arms again

You forgot about... no, no, no
I guess it is over now!
