I have it all I get an extra more
Everything my heart desires
Is such a shame I am the one the clal
Caus ei am still chasing the... of a lady
Not think about the one I got home
Is she leave me my life cannot go one
She is the... see nobody
In my heart I know there I know
It sure ain't no girl who can take your place
But I lie and I cheat I still...
She is mine no matter what they say
So selfish
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
You have done all you can still I am not satisfied
Still I have you trying you... to sleep at night
Some... baby I am home from the studio
That are stories I tell you babe stories I tell you babe
In my heart in my heart there are no... no one can take
your place
She is mine no matter what they say
So selfish
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
Baby I haven't always been, no no no
Never front like that the things that you do
Is wear I couldn't take it these things I do to you
Late night cribs full conversation after mid night
You can't stand it know it ain't right
But I do it cause I am selfish girl

So selfish
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
So selfish
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
I am so selfish
I am so selfish
I am so selfish
Looking to somebody else
