German autumn
Difficult times
Armed resistance
Numerous crimes

Extreme act of violence
An attack from the rear
A shot in the head
Revolution was here

Radical actions
Radical change
Innocent victims
People are strange

Stammheim calling
Movement 2nd June
Solitary confinement
Death is coming soon
How violence can develop
And where it can lead
Stammheim calling
Movement 2nd June

Dawn of terror
Divided nation
Riots and protests
Self-induced starvation

A concrete vision
A common idea
A wrong decision
Revolution was here

Der Mensch ist eine Krankheit

Stammheim calling
