Visit "[Cherokee Nation](#)" on [MotoLyrics.com](http://MotoLyrics.com)

They took the whole Cherokee nation

put us on this reservation

took away our way of life

Tonmahawk and bow and knife  
Took away our native tongue

taught their english to our young

and all the beards we made by hand  
are nowadays made in japan  
cherokee people  
cherokee tribe

so proud you lived  
so proud you died

they took the whole indian nation

locked us up on the reservation  
though I wear a shirt and tie  
i'm still a red man deep inside

cherokee people

cherokee tribe

so proud you lived

so proud you died

but when someday they've learned

the cherokee nation will return  
will return  
will return  
will return  
will return

-----
